Completing the Expense Itemizations

Itemizations must include all expenses that appear on your hotel bill. In the examples below, the hotel bill consists only of the room rate and taxes/fees for simplicity purposes. If you incurred other expenses on your hotel bill, such as meals or parking, you must also include those in your itemizations with the correct Expense Type. Items which are not reimbursable by policy, such as in-room movies, must be itemized as Personal/Non-Reimbursable.

In this example, the Room Rate, taxes and other fees are the same for all nights of your stay.
